

The treatment of many thousands of cases of these chronic weaknesses and distressing ailments peculiar to females, at the Invalid Hotel and Sanatorium, Buffalo, N. Y., has secured a vast experience in the treatment of these ailments, and the only reliable remedy for the cure of women's peculiar ailments.

Dr. Pierce's Favorite Prescription is the outcome, or result, of this great and valuable experience. Thousands of testimonials, received from patients and from physicians who have tested it in the more aggravated and obstinate cases which had baffled their skill, prove it to be the most wonderful remedy ever devised for the relief and cure of women's ailments. It is not recommended as a cure, but as a most perfect specific for women's peculiar ailments.

As a powerful, invigorating tonic it imparts strength to the whole system, and to the womb and its appendages in particular. For overworked, "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," house-keepers, nursing mothers, and female workers generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled as an appetizing and restorative tonic.

As a soothing and strengthening nerve tonic, "Favorite Prescription" is unequalled and is invaluable in allaying and subduing nervous excitability, irritability, exhaustion, prostration, hysteria, spasms and other distressing nervous symptoms commonly attendant upon functional and organic disease of the womb. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Favorite Prescription is a legitimate medical cure, carefully compounded by an experienced and skillful physician, and adapted to women's delicate organization. It is purely vegetable in its composition and perfectly harmless in its effects in any condition of the system. For morning sickness, or nausea, or whatever cause arises, weak stomach, indigestion, dyspepsia and kindred ailments, its use, in small doses, will prove very beneficial.

"Favorite Prescription" is a positive cure for the most complicated and obstinate cases of leucorrhoea, excessive flowing, painful menstruation, unnatural suppressions, prolapsus, or falling of the womb, weak back, "female weakness," anteversion, retroversion, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, inflammation and tenderness in ovaries, accompanied with "internal heat."

As a regulator and promoter of the menstrual function, at that critical period of life when the system is peculiarly susceptible to derangement, it is a perfectly safe remedy, producing only good results. It is valuable in its effects upon the system, and its use, at a later and most critical period of life, "The Change of Life."

"Favorite Prescription," when taken in connection with the use of Dr. Pierce's Medical Discovery, and small laxative doses of Dr. Pierce's Purgative Pellets (Little Liver Pills), cures Liver, Kidney and Bladder diseases. Their combined use also removes blood stasis, and abolishes cancerous and scrofulous humors from the system.

"Favorite Prescription" is the only medicine for women which, by its use, induces a positive gain. It is the only medicine that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the wrapper, and is fully carried out for many years.
